

UniboardSankoreTransition  
::executeTransition

```
graph LR; A[UniboardSankoreThread::run] --> B[UniboardSankoreTransition::executeTransition];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'UniboardSankoreTransition' followed by '::executeTransition' on a new line. The box on the right is white and contains the text 'UniboardSankoreThread::run'. A dark blue arrow points from the right side of the white box to the left side of the gray box.

UniboardSankoreThread::run
