

UBGraphicsAristo::resize

```
graph LR; A[UBGraphicsAristo::resize] --> B[UBGraphicsAristo::rotationCenter];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'UBGraphicsAristo::resize'. The right box is white with a black border and contains the text 'UBGraphicsAristo::rotationCenter' on two lines. A dark blue arrow points from the right side of the left box to the left side of the right box.
