

Sankore-3.1/src/core
/UBIdleTimer.h

```
graph TD; A["Sankore-3.1/src/core /UBIdleTimer.h"] --> B["QObject"]; A --> C["QDateTime"];
```

The diagram illustrates the inclusion relationships of the UBIdleTimer.h header file. A central box at the top represents the header file, with two arrows pointing downwards to two separate boxes below it, indicating that the header file includes both QObject and QDateTime.

QObject

QDateTime
