```

The diagram illustrates a dependency structure. At the top, a grey rectangular box contains the text "Sankore-3.1/src/api /UBLibraryAPI.h". Two blue arrows originate from the bottom center of this box and point downwards to two separate white rectangular boxes. The left box is labeled "QtGui" and the right box is labeled "QtWebKit". This indicates that the header file in the top box is used by or defines interfaces for both QtGui and QtWebKit.
