

UBFeaturesController
::scanStarted

```
graph LR; A[UBFeaturesController::UBFeaturesController] --> B[UBFeaturesController::scanStarted]
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'UBFeaturesController' followed by '::scanStarted' on a new line. The box on the right is white and contains the text 'UBFeaturesController' followed by '::UBFeaturesController' on a new line. A dark blue arrow points from the right side of the white box to the left side of the gray box.
