

UBColorPicker::setColors

```
graph LR; A["UBBrushPropertiesFrame  
::UBBrushPropertiesFrame"] --> B["UBColorPicker::setColors"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is shaded gray and contains the text 'UBColorPicker::setColors'. The box on the right is white with a black border and contains the text 'UBBrushPropertiesFrame' on the top line and '::UBBrushPropertiesFrame' on the bottom line. A blue arrow points from the right side of the white box to the left side of the gray box.
