

UBBoardController:
:setPenColorOnDarkBackground

```
graph LR; A[UBBoardController:  
:setPenColorOnDarkBackground] --> B[UBBoardController:  
:penColorChanged];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray background and a black border. It contains the text 'UBBoardController:' on the first line and ':setPenColorOnDarkBackground' on the second line. A dark blue arrow points from the right side of this box to the left side of the right box. The right box has a white background and a black border. It contains the text 'UBBoardController:' on the first line and ':penColorChanged' on the second line.
