The diagram illustrates a file dependency structure. At the top is a grey-shaded box representing a header file: 'Sankore-3.1/src/domain /UBPageSizeUndoCommand.h'. Below it are two white boxes. The left box is 'Sankore-3.1/src/board /UBBoardController.cpp' and the right box is 'Sankore-3.1/src/domain /UBPageSizeUndoCommand.cpp'. Two blue arrows point from the bottom of each of these two boxes up to the bottom of the header file box, indicating that both source files include or depend on the header file.
